Pre-Trib Monthly newsletter

### WHAT IS THE PRE-TRIB STUDY GROUP?

Twenty-six years ago this group had its first meeting with 35 prophecy scholars present. It was patterned after the Albury Park and Powerscourt Conferences in Britain during the 1820-30s where the leaders gathered to discuss issues relating to Bible prophecy.

The Pre-Trib Research Center is committed to the study, proclamation, teaching and defense of the pre-tribulation rapture (pre-70th week of Daniel) and related end-time prophecy. PTRC desires to impact pastors and individual Christians concerning for the central role and importance of Bible prophecy, especially the any-moment possibility of the rapture, should play in the life of the church. The PTRC stresses three practical implications of flow from the rapture teaching: godly living in an unholy age; a strong emphasis upon evangelism of the lost; and the zeal for worldwide missions.
